After a long journey together in 1832 Thatcher Blake and Germanicus Kent co-founded Midway, Illinois on the west shore of the Rock River. Now it has become known as Rockford and on that same shore sits the Thatcher Blake River Walk Condos. You, too, could make history on the same shoreline. Both raised ranches and town homes are available in the lovely development. You will have to visit to realize the beauty and serenity of the location. Call for your private tour and make dreams come true.
