

Rockford Area Arts Council

The Rockford Area Arts Council supports, promotes, and develops access to the arts for everyone.

On November 14, 2024, the Arts Council received the keys to the Rockford National Guard Armory building, 605 N. Main Street. Though there will be no evidence of creativity for months to come, the Arts Council staff is hard at work developing a robust capital \$tack for the future development of the property. Our vision can be summed up as a cultural civic center; our priorities include:

- Partner agency office space
- Affordable space for partner agency services, programs, and events
- Support for cultural groups convening space
- Subsidized artist housing
- Special events – weddings, proms, concerts, and workshops
- Affordable storage for cultural groups and partner agencies

Rockford National Guard Armory
