Ward 10

4846 East State Street

Sandra L. Staskal/ SLS Food Inc. d/b/a Charlie's Pub & Eatery

Sale of liquor by the drink in conjunction with a restaurant and video gaming

Sale of Liquor by the drink in conjunction with an outdoor seating area/beer garden in a C-3, General Commercial Zoning District

Laid Over from January, February and March meetings

The subject property is the former Fatty McGee's located on the north side of East State Street and the parking lot is east of Flintridge. This item was laid over from January, February, and March meetings due to additional required information the Applicant was to provide Staff.

Sandra Staskal, Applicant and Attorney Michael Schirger were present. Attorney Schirger stated his client is very aware of the problems with the former tenant, the building, and the property as well. He stated Ms. Staskal will make certain that these problems do not reoccur under the Applicant's use.

Ms. Staskal explained she would like to open like a restaurant similar to the Irish Rose or the Hope & Anchor Pub, but not as upscale. She stated her intent to have a safe environment with cameras inside and outside, maybe to have bourbon tastings, maybe music with dinner. She stated there would be no loud music. She plans to repair the parking lot and the junk vehicles have been removed. Ms. Staskal stated she would like to revise her business plan indicating that food service will be longer than originally presented. She further stated it is her intent to add to the value of the area and also lives in the area herself. A copy of the March 16th revised business plan submitted to Staff was presented to the Board.

Regarding security, Ms. Staskal stated she has a small security plan to have 1 or 2 people present at night, with one of them covering the parking lot.

Staff Recommendation is for Denial. No Objectors or Interested Parties were present. One letter of Objection was received and was included with Staff Report.

Mark Rouleau, Attorney at Law, submitted a letter of Objection stating he was in the office condo directly across the street from the subject property and that he was also an officer of the office condo association. Attorney Rouleau felt the proposed use is more of a description of a tavern rather than a restaurant use.

He feels that a tavern and gambling center would lead to the further demise of the formerly thriving business district in that community. He also expressed a concern with adequate parking.

Ms. Staskel stated she and her attorney tried to contact Attorney Rouleau to explain their plan and go over his concerns, but he never responded.

Dan Roszkowski asked what the plans were for the rear portion of the building. Attorney Schirger stated they have no knowledge of what the owner intends to use that portion of the building for. The Applicant has a 3 year lease with a 3 year option.

Alicia Neubauer asked Staff if they would be changing their position of Denial based on the revised business plan submitted on March 16. Mr. Capovilla stated they would not. There is still concerns about parking and the overall redevelopment of the building in the future, and with business hours. Parking is a major concern at this location and Staff is concerned with what would happen from a parking standpoint should the owner rent out the remainder of the building. Under the previous owner, parking encroached for blocks within the neighborhood and across the street into the office parking area. When asked why she wished to have such late hours if the intent was to have a family restaurant, Ms. Staskel gave an example of people who work second shift and may wish to visit her establishment after work. She further explained that with the investment she is making she would like to have a family restaurant but also the ability to remain open until 2:00 AM with food service until 1:00 AM.

The Board asked Staff what options they would have should the owner decide to rent out the rear portion of the building. Mr. Capovilla stated a permit to remodel the second space may be denied because of the lack of parking. The back area of the building and the area the Applicant is are renting are approximately 5000 sq. ft. each. Mr. Roszkowski asked Staff how many parking stalls would be required for a 5900 square feet building. Mr. Capovilla responded 80 stalls would be required. Mr. Roszkowski stated he counted 119 on the property at this time, so there are roughly an additional 30 stalls. Mr. Capovilla further explained that the total parking lot would need to be reconstructed. Mr. Roszkowski said he has seen the building and windows have been boarded up.

Should the Board choose to approve, Attorney Vaughn constructed a list of (11) conditions as part of the approval.

A **MOTION** was made by Alicia Neubauer to **APPROVE** the Sale of Liquor by the drink in conjunction with a restaurant and video gaming and to **APPROVE** the Sale of Liquor by the drink in conjunction with an outdoor seating area/beer garden in the name of Sandra L. Staskal / SLS Food Inc. d/b/a Charlie's Pub & Eatery in a C-3, General Commercial Zoning District at 4846 East State Street subject to 11 conditions. The Motion was **SECONDED** by Melissa Beckford and **CARRIED** by a vote of 6-0.

1710 Rural Street, Suite 4

Derrick Kunz d/b/a Rural On Tap

Modification of an existing liquor license to allow the operation of a video gaming facility, to allow DJ's, and packaged liquor sales in a C-2, Limited Commercial Zoning District

Laid Over from January, February and March meetings

The subject property is Suite 4 within the Rural Oaks Plaza, located 180 feet east of the Prospect Street, Guilford Road, and Rural Street intersection. Derrick Kunz and Nick Fosberg, Applicants, were present. Mr. Kunz explained their request for a modification to the existing liquor license to allow packaged liquor sales, DJ's, and video gaming. He stated they have now been in business for two and a half years. He gave a brief history of opening the existing bar at this location. He stated they would like to add a DJ and the sale of packaged liquor for beer and wine only. Mr. Kunz explained that they are able to get specialty craft beers, some of which are only available at certain times of the year. Mr. Fosberg stated they are losing approximately \$300 a day by not having gaming and also losing approximately \$500 a day in food because they cannot open until 2:00 and cannot serve food. Gaming brings in more income to help with salary for the best cooks, the best bartenders, and the best workers for the upscale environment they have achieved. The extra income would also allow them to put on more charity events. Mr. Kunz mentioned some of the events they have worked with, including helping with a community garden, and having raised over \$10,000 for the Northwest Community Center last year. He pointed out the comparison between the large number of neighborhood residents who attended the meeting in 2014 when they requested their liquor license to open the bar in comparison to very few residents at this meeting to be an indication of them having proved the quality of their business and its compatibility to the neighborhood.

Attorney Vaughn asked the Applicants if they were in agreement to all (14) of Staff conditions. Mr. Kunz stated they do agree. Craig Sockwell asked if they would be selling beer or wine by the case or smaller sizes. Mr. Kunz responded they have only a very small area dedicated to packaged liquor and it will not be a full cooler situation. Lydia's has an agreement with the property owner that there will be no other tenant serving food in the shopping center so Rural On Tap is not allowed to have a kitchen. They do not have dart boards or pool tables, which is why they are wanting to add gaming machines. Mr. Kunz stated they have room to move the large community table over 4 feet, and that will give them 8 feet of room for the 5 gaming machines.

Mr. Kunz asked if the 50% rule applies to their liquor license because that rule was passed after they received their license. He asked if they would be considered to be grandfathered in. Mr. Capovilla stated the Applicant brought up a good point and he was not certain if this applied to them. They already have a liquor license and gaming is regulated by the State so it would be between them and the State. Mr. Fosberg stated one of the concerns at the original meeting was that their type of organization with gaming would bring down property values and asked if there was ever an actual case of providing proof of values going down. Craig Sockwell stated he does not see their operation bringing down property values.

Staff Recommendation is for Approval with (14 conditions). Objectors and Supporters were present.

Ken Becker was present as an Objector and also submitted a note of objection which was attached to Staff report. He stated he lives behind the bar and has had his real estate business there for 45 years. He stated when the original lease was approved in 2014 it was for a 7 year lease with no gaming. He wonders why this has now changed. He felt the Alderman of the Ward was not in agreement with the original bar request in 2014 and then "people called in favors and the Alderman changed his mind". He stressed to the Board that he is opposed to allowing gaming and a DJ.

Bob Goldbeck was present in Support as a neighbor of Rural on Tap and also a patron. He stated he was skeptical when he first heard about gaming; however he now feels the Applicants have gone above and beyond to prove themselves to the neighborhood. He does not feel the Applicants would come back before the Board with a request for gaming and changes if they did not feel it was a viable investment in their establishment. He stated he is a customer who goes into the bar to network with, and to meet with

people. His observation is that people usually come in for 2 or 3 drinks and then leave. He felt from the point of both the neighborhood around it and the clientele they draw from, it would be a shame if they were not allowed to receive this additional investment.

Frank Savitski was present in Support He stated he is a former bar owner himself and he can understand how the Applicants are at a disadvantage without gaming to help with revenue. He is also on the Board of the Northwest Community Center and so is Mr. Kunz. He further stated that Rural on Tap and Derrick Kunz has spent a lot of time and investment in the Northwest Community Center.

Jonathan Whitlock, owner of the Plaza spoke in Support. He explained when they were looking to fill this tenant space they did not want just any bar in their plaza. They checked out the Applicants and the feedback they received was that they were very reliable. They have exceeded his expectations on the way they manage and run their business. He further stated the Applicants have invested a lot of their own money in remodeling the bar and he feels they are not tenants who would do that if they didn't plan to succeed. He stated he has received no objections whatsoever from anyone on the operation of this establishment. He felt it was not fair for them to not have gaming as part of their establishment when other bars were allowed to have gaming.

Mr. Kunz thanked the supporters. He also thanked Mr. Becker for his comments and concerns. He stated even though he did not agree with him, he admired his strength to stand up for what he believed. In explanation of calls for service, he stated one of the police calls was for someone who wanted to come in to use their restroom at 2:30 in the afternoon. Mr. Kunz stated he did not want to deny the individual the use of his facilities not knowing that the individual had overdosed and required medical attention. Regarding garbage pickup at 5:00 AM, Mr. Kunz called the garbage company to see what the earliest was they could get out there and he was told they could not have been out there at 5:00 AM because they have meeting every day at 5:00. They are coming out at the earliest at 6:40 AM or later. Craig Sockwell asked if there as an Ordinance for the earliest time garbage could be picked up. Mr. Capovilla stated he was not aware of an Ordinance stating garbage could not be picked up at 6:00 or 7:00 AM.

Mr. Fabiano stated he has never seen anyone run a bar as responsible as the Applicants. Mr. Capovilla stated the Highland Associations President did call him and told him that their association no longer has the concerns that they did originally. Kim Johnsen stated her opinion that Rural On Tap has done an excellent job of supporting the community and nonprofit organizations. Dan Roszkowski expressed his concern that this is one of those situations where the client comes in asking for one thing and then returns asking for more. He stated the restriction of no gaming was put on this bar 3 years ago for a reason and he questions the DJ use as well. Mr. Capovilla explained that anyone on a computer qualifies as a DJ. He stated he has seen it at any bar having Trivia nights.

A **MOTION** was made by Craig Sockwell to **APPROVE** the Modification of an existing liquor license to allow the operation of a video gaming facility, to allow DJ's and packaged liquor sales in the name of Derrick Kunz d/b/a/ Rural On Tap in a C-2, Limited Commercial Zoning District at 1710 Rural Street, Suite 4. The Motion was **SECONDED** by Kim Johnsen and **CARRIED** by a vote of 5-1 with Dan Roszkowski voting Nay.

017-LTAB-011

Applicant
Ward 03

1414 North Main Street

Michael D. Werckle d/b/a The West Side Show Room
Sale of beer and wine by the drink in conjunction with a not-for-profit performing arts center in a C-2, Limited Commercial Zoning District

The subject property is located on the west side of North Main Street, 337 feet south of the North Main Street and Auburn Street intersection. The building is currently vacant. Michael Werckle, Applicant, was present and reviewed his request. He stated he is President and Artistic Director for the performing arts center which is a non-profit organization. They opened in December on Mulberry Street for a year and a half and are now looking for a new location. Mr. Werckle stated when he moved back to Rockford 5 years ago he was surprised to see New American Theatre was no longer in operation. It is his desire to bring the art of theater back to the City of Rockford.

Attorney Vaughn asked if he had an opportunity to read Staff's Recommendation and 13 conditions and if he was in agreement. Mr. Werckle stated he wished to discuss two of the suggested conditions of approval. He understood that the hours of operation were derived from his business plan; however upon further reflection he would like to have the ability to schedule events such as a matinee on Friday, Saturday and Sunday, or schedule a show during a holiday week. These would require more extended hours. He is asking to expand his hours of operation from 1:00 PM to midnight Monday through Sunday. Mr. Werckle stated just to be clear, they would not be serving alcohol during all those hours, they would just like the flexibility to have more hours for entertainment purposes.

Mr. Werckle also had concerns with conditions limiting cover charge, live entertainment and the ability to have a DJ. He wished to have clarification on how this may affect their ability to have a live performance. He stated if they have two performance bases - one being a cabaret type and the other being theater production - this would increase their ability to invite everyone in the community to enjoy the theater environment. Kim Johnson stated she would be open to any type of performing arts. Mr. Capovilla expressed the need to understand that we should not completely eliminate the restrictions of music, DJ, and live entertainment because it then opens the door for a bar atmosphere. The conditions need to have language that would avoid the ability to turn this into a dance hall. Tim Morris, Fire Department stated the occupancy would also be based on tables and chairs. Scott Capovilla suggested conditions 10, and 11 could be combined to say: DJ, dancing and live music may only be permitted as a part of a live theatrical performance. Mr. Werckle suggested using the term "live performing arts event" rather than "theatrical performance". Melissa Beckford questioned if there could be a DJ after the show when people were mingling.

Mr. Werckle reviewed his extensive background and education in various areas related to the performing arts. He explained that part of the theater experience is that people may gather and discuss the play after the performance. He expects to have 5 plays a year with 2-3 week runs. Craig Sockwell asked why only beer and wine would be available and not cocktails. Mr. Werckle stated it was not their intent to be a bar. They want a simple operation where people can enjoy a drink with the show. He stated if someone was coming to get a cocktail then they are coming to the wrong place.

Mr. Werckle submitted letters of support including those from Engine Studio, Inc. and Rockford Area Arts Council.

Staff Recommendation is for Approval with (13) conditions. These were revised to (10) conditions, to which the Applicant was in agreement. Supporters were present.

Carolyn Cadigan was present as a supporter. She stated she has been an actress most of her life, working with the Applicant since 2014. Her husband has also been involved in production. She is also speaking as a member of Churchills Grove. She appreciates his professionalism, his artistic direction and his ability to put all of these venues together. Ms. Cadigan expressed that she is very excited about this venture.

Rufus Cadigan was also present in support. Mr. Cadigan stated he has been a teacher at Rockford University since 1979. He stated he has know the Applicant since he was ten years old and confirmed that Mr. Werckle has extensive experience with acting, playwriting and direction.

Elizabeth Edgerton stated she has also known the Applicant since he was 12. She has worked with his theater and the box office. She feels this project will build a community of its own within the theater group and encourage people to come together, something that Rockford has not seen for a long time.

A **MOTION** was made by Kim Johnsen to **APPROVE** the Sale of Beer and Wine by the drink in conjunction with a not-for-profit performing arts center in the name of Michael D. Werckie d/b/a The West Side Show Room in a C-2, Limited Commercial Zoning District at 1414 North Main Street with revised conditions of approval. The Motion was **SECONDED** by Alicia Neubauer and **CARRIED** by a vote of 6-0.

Approval is subject to the following conditions:

1. Must meet all applicable building codes.
2. Compliance with all City of Rockford Liquor Codes.
3. The sale of beer and wine by the drink shall be limited to the interior floor plan Exhibit E approved by Staff.
4. The hours of operation will be limited to 1:00 PM to midnight PM Monday through Sunday.

9. The not-for-profit performing arts center shall not operate as a nightclub.
10. All conditions must be met prior to establishment of use.

With no further business to come before the Board, the meeting was adjourned at 8:05 PM.
