### **August 2017 RockStat / CompStat Meeting**

**WHAT:** The City of Rockford invites City Council, the general public, media and business representatives to attend RockStat, an accountability forum that focuses on the strategies, initiatives, and results needed to effectively create a safe community. The Rockford Police Department will present CompStat during this meeting.

RockStat is built around open forums where the quality, efficiency, and effectiveness of critical city business processes and services are candidly evaluated and monitored.

Forums focus on the ability to bring to the forefront the operational issues that may be limiting the city organization from reaching its goals, while building on the collaborative resources of the RockStat team.

City leaders, with the authority to make policy, budget, and procedural changes present and attend RockStat meetings. The full RockStat report will soon be available on the City of Rockford web site at [www.rockfordil.gov](http://www.rockfordil.gov).

Interviews with City staff are available immediately following the meeting. Cameras are permitted.

**WHEN:** Thursday, August 10, 2017
