Boat(s):

Diver(s):

Other(s): 2

Total Firefighters: 26

Response Time: :06

Narrative

The Rockford Fire Department 911 Center received a call for a reported residential structure fire at 14:09 Hrs. The first arriving fire unit arrived on scene within 6 minutes to find heavy fire showing from an attached 3-car garage. Heavy smoke was also found coming from the roof area. Initial arriving units requested a second alarm due to the large volume of fire and windy conditions. The fire was brought under control in approximately 30 minutes, but caused extensive damage to the home. A neighboring residence also sustained heat damage. This fire caused the home to become uninhabitable until repairs are completed. The family is being housed with other relatives in the area. No civilian or firefighter injuries were reported during this incident.
