

**BROWNFIELD REVOLVING LOAN FUND  
LOAN AGREEMENT BETWEEN THE  
SOUTH MAIN SHOPPING CENTER AND THE CITY OF ROCKFORD**

**Colman Village Phase I: Site**

**Soil Remediation; Groundwater Treatment: Engineered Barrier**

This Loan Agreement (the “Agreement”) is made and entered into on this \_\_\_\_ day \_\_\_\_\_, by and between the South Main Shopping Center, a not-for-profit corporation, (“SMSC”) and the City of Rockford, an Illinois municipal corporation “City”).

**RECITALS**

**WHEREAS**, the City is the recipient of a grant (the “Grant”) to establish the Revolving Loan Fund (“RLF”) from the U.S. Environmental Protection Agency (“USEPA”) and is authorized to make loans pursuant to the Small Business Liability Relief and Brownfields Revitalization Act, Section 104(k) of CERCLA, 42 U.S.C. 9604(k), and as a condition of awarding the Grants, the EPA has placed requirements on the use of the Grants as documented in Cooperative Agreement numbered BF-00E45801, as amended, (the “CA”); and

**WHEREAS**, the City is the fee simple owner of real property located in the City of Rockford, Illinois, 1200 Rock Street, the “Colman Village, Phase I” site, apportion of the Barber Colman Industrial Complex, legally described in Attachment A (the “Property”); and

**WHEREAS**, it is the mission of the SMSC to perform activities which assist in the economic redevelopment of the Rockford area; and

**WHEREAS**, the SMSC is an eligible Borrower for the RLF Program, having been the Borrower for an earlier project under the RLF Program, and is not a PRP at this site; and

**Whereas**, the SMSC has developed real property in Rockford, Illinois, and is willing to coordinate and conduct the remedial environmental actions on this Property to :1)Prepare a Remedial Action Plan, Site Plan and Engineered Barrier Design consistent with the Remedial Objectives Report, 2) Remove Contaminated Soil associated with the installation of the Engineered barrier and Utility Installation, 3) Provide Groundwater Treatment and 4) Install an Engineered Barrier on the entire site, which is owned by the City, as part of the development of the Rock Valley College Technical Career Education and Training Center at Colman Village; and

**WHEREAS**, a determination of Site Eligibility was prepared for Hazardous Substances and Petroleum by Fehr-Graham and Associates. These documents were approved by the USEPA. Subsequently the determinations demonstrated qualification of

the Property for consideration of funding through the U.S. Environmental Protection Agency (EPA) Brownfields Cleanup Revolving Loan Fund (RLF). And

**WHEREAS**, the Supplemental Phase II Environmental Site Assessments were performed and completed on July 14, 2016, and

**WHEREAS**, the City has enrolled the Property in the Voluntary Site Remediation Program (SRP) of the Illinois Environmental Protection Agency (IEPA); and

**WHEREAS**, **the Supplemental** Phase II Environmental Site Assessment Work has been utilized to prepare an updated Remedial Objectives Report, a report that supplements the approved Remedial Objectives Reports / Remedial Action Plans that were prepared during September of 2009 and approved by IEPA on January 14, 2010; and March 3, 2010; and

**WHEREAS**, The Site Plan and Engineered Barrier Design is required in advance of the installation of the Engineered Barrier; soil removal is required in conjunction with excavations for new utilities, and the Engineered Barrier; Groundwater Treatment may be required at one location and the Engineered Barrier is required for the entire Colman Village Phase I site subject to the Design; and

**WHEREAS**, the estimated total cost of the Remedial Action Plan including the Site Design and Engineered Barrier Design is \$125,000; Soil Removal is estimated at \$150,000; Groundwater Treatment is estimated at \$150,000 and Engineered Barrier estimated at \$2,000,000 for the entire site , and

**WHEREAS**, the available funds are estimated at approximately \$800,000 total; and

**WHEREAS**, Lead-based Paint Removal and Asbestos Removal will be a separate project for Colman Village , Phase 1 estimated at \$275,000, leaving \$525,000 for the four Site items identified above; and

**WHEREAS**, the initial Site priorities are the Remedial Action Plan/ Site Design/Engineered Barrier Design, Soil Removal Groundwater Treatment; and

**WHEREAS**, once those initial items are complete, available funds would be programmed for the initial stages of the Engineered Barrier installation, subject to available Funds; and

**WHEREAS**, The USEPA has granted preliminary approval to fund these remaining Cleanup activities with the USEPA RLF Program subject to available funding, conditioned on the execution of satisfactory loan documents, and the preparation of an Administrative Record to include the Brownfields Cleanup Alternatives (ABCA), Community Involvement Plan (CIP); a Quality Assurance Project Plan and a Public Comment Period; and

**WHEREAS**, it is the City’s intent to apply for Illinois EPA Revolving Loan Funds to assist with the completion of the Engineered Barrier; and

**WHEREAS** the Administrative Record is established, the Public Hearing will be held during June of 2017 and the Public Comment Period, established late–May 2017, is scheduled to be completed during July of 2017; and

**WHEREAS**, City and the SMSC have entered into this Agreement to provide for the disbursement and repayment of a loan as part of a project (the “Project”) consisting of Soil Removal, Groundwater Treatment and an Engineered Barrier on the Property in the manner described in the approved Cleanup Plan by USEPA, described in IIIA, below and provided as Attachment F; and

**WHEREAS**, the RLF Project is a component of a major Redevelopment Project referred to as Colman Village Phase I, which will convert much of the former Barber Colman Complex into the Rock Valley College Technical Career Training and Education Center ; and

**WHEREAS, Colman Village Phase I, including the** Rock Valley College Technical Career Training and Education Center, will be a \$33 million dollar project (approximately); and

**WHEREAS**, the Project will be undertaken by general contractors (“Contractors”) and overseen by an environmental consultant (“Consultant”) to be selected by the City; and

**WHEREAS**, there may be separate subcontractors for the Site Plan/ Engineered Barrier Design Soil Removal, Groundwater Treatment and Engineered Barrier at Colman Village, Phase I;

**NOW, THEREFORE**, the City and SMSC agree as follows:

**I. FUNDING**

A. **Promissory Note.** Contemporaneously with the execution of this Agreement, the SMSC shall execute a promissory note (the “Note”) in favor of the City in the form attached as Attachment E hereto.

B. **Disbursements.** From the USEPA RLF Grant, BF00E45801, the City shall, following the execution of this agreement, disburse to the SMSC up to the total aggregate principal sum of up to Five Hundred Thousand Dollars (the “Loan”) in payment of Environmental Cleanup Project Costs identified , Each disbursement hereunder shall be referred to as a “Disbursement” and, collectively, as the “Disbursements.”

- C. **Disbursement Schedule.** All Disbursements shall be payable in accordance with the term of the Note, no later than September 30th, 2019, or two years after the date of this Agreement, whichever comes first.
- D. **Source of Repayment.** Repayment of the Note will come from one or more or any combination of the following: (a) state or local (non-federal) grants that SMSC is able to obtain for the Project, (b) proceeds realized from the sale of some or all of the Property, (c) annual Tax Increment Finance (TIF) receipts received from the Property, (d) proceeds from the sales of TIF bonds on the Property, (e) proceeds realized from other loans that may be made to the Project and (f) general funds budgeted specifically by, in its annual budget, and approved by City of Rockford.
- E. **Repayment Amount and Schedule:** Repayment of Seventy percent of the loan with a maximum discount of \$200,000 is for the RLF programs. The repayment amount is not to exceed \$350,000. This repayment shall be required when this property is sold, leased or rented at Market Rate to a for-profit corporation. When this occurs, the repayment amount of up to \$350,000 (seventy percent of the loan amount (including contingencies) that is expended with a maximum discount of \$200,000), shall be paid in full within 12 years of the sale lease or rental noted above. There will be no interest charged.

## II. CONTRACT AND PROJECT OVERSIGHT

The City shall review and approve the contract between the SMSC and the Contractor for the Project prior to execution, which review shall include confirmation that the contract includes such cross-cutting requirements as may be required by the EPA.

## III. PERMITTED USES

- A. **Use of Proceeds.** Disbursements made pursuant to this Agreement shall be used to pay for *approved* Project Costs actually incurred during the period from July 1, 2017 to September 30, 2019 (the “Funding Period”) in connection with the completion of the Project in accordance with the following (items 3 through 5 are, collectively, “the RAP”):
1. The project schedule (the “Project Schedule”, Attachment C).
  2. The project budget (the “Project Budget”, Attachment D), which shall include but not be limited to the Project Costs.
  3. Remedial Objectives Report and Remedial Action Plan.
  4. Additional Investigation & Remedial Action Plan Addendums.
  5. Project Manual Specifications and Contract Documents For Colman Village Phase I;

- B. **Project Costs.** Hazardous Substances Project Costs shall be defined as costs and expenses incurred during the Funding Period in connection with the Project, including, but not limited to, the costs of labor, supplies, materials, program costs and services and Brownfield's oversight fees associated with the Project for the environmental cleanup components of the project identified on Page 1 of this document. Project Costs shall be further specified in the Project Budget.
- C. **Funding Procedure.** All Disbursements under this Agreement shall be made pursuant to a Draw Request (the "Draw Request") approved by the SMSC consisting of invoices coded to the EPA RLF funding source SMSC and reviewed and compiled by the City. Each draw request shall reference invoices that have been reviewed and approved by SMSC, and/or such other information as the City may require. On the date specified in the Draw Request, if all the terms and conditions of this Agreement have been complied with by SMSC, if no default exists under this Agreement, the City shall, as promptly as possible thereafter, disburse the amount of the draw to SMSC, which amount shall be re-disbursed by SMSC to each of the contractors and/or consultants entitled to receive any of such proceeds, by check or wire transfer, the amounts set forth in such Draw Request.
- D. **Project Budget and Project Changes.** The City will obtain the SMSC's written approval of any material changes in the Project Budget. The City will provide the SMSC with all bid requests, project bids, and information regarding costs of the Project as the SMSC shall require.
- E. **Project Matching Funds.** SMSC agrees that at least 20% of the total Project Budget for the Project shall be obtained as matching funds from any non-federal source to be spent for Project Costs.

#### IV. ACCOUNTING AND PROJECT MANAGEMENT RECORDS.

- A. **Accounting and Project Management Records.** The SMSC will document the use of Disbursements, and maintain adequate records consistent with industry standard accounting. The SMSC shall thereafter maintain documentation on the uses of Disbursements, including bid information, executed contracts, on-site inspection reports, Draw Requests, accompanying invoices and information sufficient to evidence in proper detail the nature of expenditures and other information as deemed appropriate by the SMSC or the City such that the City is in compliance with 40 C.F.R. Section 31.42. The documents required hereunder shall be maintained for a period of three (3) years following completion of the Project (submittal of the final financial status report) , unless any claim, negotiation, audit or other action involving records begins before the expiration of the 3-year retention period. In this case, the records will be retained 3 years after the resolution of the last of these actions.

**V. PROJECT REQUIREMENTS.**

- A. SMSC agrees to periodically inspect the site. Site security will be provided by the contractor(s). SMSC agrees to erect a sign on the Property, approved by the City, stating that the Project is being financed in part by U.S. EPA RLF Funds, the City and State of Illinois, and providing the appropriate contacts for obtaining information on activities being conducted at the Property and for reporting suspected criminal activities. The sign erected on the Property shall comply with 40 CFR Part 35, Subpart O (Section 35.6105 (a) (2) (ii)).
- B. SMSC certifies that it is not a PRP at the site.
- C. SMSC certifies that it is not and has not and, to its knowledge, any Contractor(s):
  - i. Are not presently or proposed to be debarred or suspended, declared ineligible, or voluntarily excluded from federal, state or local (hereinafter “public”) transactions; and
  - ii. Have not within the preceding three years had a public transaction terminated for cause or default.
- D. The Project shall be carried out in accordance with all applicable state, local and federal laws, regulations, orders, writs, judgments, injunctions, decrees or awards, including but not limited to the following, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. § 9601 et seq.) (“CERCLA”); Uniform Administrative Requirements for Grants and Cooperative Agreements to States and Local Governments (40 C.F.R. Part 31); the National Oil and Hazardous Substances Contingency Plan (“NCP”), 40 C.F.R. Part 300, all applicable cross-cutting requirements, including those federal requirements agreed between the USEPA and the City defined by the Cooperative Agreement Number (B F-00E45801), OSHA Worker Health & Safety Standard 29 C.F.R. 1910.120; the Uniform Relocation Act, Historic Preservation Act, Endangered Species Act; and Permits required by Section 404 of the Clean Madison Act; Contract Work Hours and Safety Standards Act, as amended (40 U.S.C. 327-333), the Anti-Kickback Act (40 U.S.C. 276c) and Section 504 of the Rehabilitation Act of 1973 as implemented by Executive Orders 11914 and 11250.
- E. SMSC shall comply (and cause Contractor and any subcontractor employed in connection with the Project to comply) with Executive Order 11246, Equal Employment Opportunity, and implementing regulations at 41 C.F.R. 60-4 relating to federally-assisted construction contracts.
- F. SMSC shall carry out (and cause Contractor and any subcontractor employed in connection with the Project to carry out) the Project in accordance with the relevant

requirements of CERCLA 104 (k) and with the Davis-Bacon Act of 1931 (CERCLA § 104(g) (1), 40 U.S.C. § 276a to 276a-5 and 42 U.S.C. § 3222 as set forth in CERCLA § 104(g)). Compliance with the Davis-Bacon Act requires payment of federal prevailing wage rates. Contractor must obtain recent and applicable wage rates from the U.S. Department of Labor and incorporate them into the construction contract.

- G. Any Contract entered by SMSC on the Property shall substantially contain the same language as shown in Attachment F, attached hereto.
- H. SMSC shall keep Project in good repair and condition, and from time to time make necessary repairs, renewals, and replacements so that Project shall be fully and efficiently preserved and maintained.
- I. SMSC shall comply (and cause Contractor and any subcontractor employed in connection with the Project to comply) with the statutes prohibiting discrimination on the grounds of race, color, national origin, sex and disability. In addition, Contractor shall undertake good faith efforts in compliance with 40 C.F.R. 31.36(e) to give opportunities to qualified Small Business Enterprises, Minority Business Enterprises and Women-Owned Business Enterprises to submit proposals and bids and provide services on contracts and subcontracts for services and supplies. Contractor shall submit a report of such efforts at the request of SMSC.
- J. SMSC shall commence the Project on or before, July 31 2017, and shall complete the Project on or before, September 30 2019, subject only to force majeure or a written extension agreed to and signed by Finance. SMSC shall notify the City when the Project is complete.
- K. The contractor(s) retained to conduct the Project have not, within a three year period preceding this Agreement, been convicted or had a civil judgment rendered against them for (i) fraud or commission of a criminal offense in connection with obtaining, attempting to obtain or performing a public transaction or contract under a public transaction, (ii) violation of federal or state antitrust laws, or (iii) embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property.
- L. The contractor(s) retained to conduct the Project, are not presently indicted for or otherwise criminally or civilly charged by a public entity with commission of any of the offences enumerated under the section above.

## **VI. EVENTS OF DEFAULT**

The following shall constitute Events of Default:

- A. Default by SMSC in any payment when due of principal or interest under the Promissory Note;

- B. Any representation or warranty made by SMSC hereunder or in the Loan Documents proves false or misleading in any material respect;
- C. Use of the Loan Proceeds for purposes other than those stated in Section III.A. or approved in writing by the City; and
- D. Default by SMSC in the performance of any other term, covenant or agreement contained herein, or in the Loan Documents, which default is not cured within thirty (30) days of receipt of a notice of default (or such longer period as shall be reasonably necessary to cure such default provided SMSC promptly commences such cure and thereafter diligently pursues such cure to completion).

## **VII. FINANCE REMEDIES**

In the event of a default by SMSC in the payment or performance of any obligation hereunder, the City may accelerate payment of the remaining balance of the Note and terminate any obligation to make additional Disbursements hereunder.

## **VIII. REPRESENTATIONS AND WARRANTIES**

- A. **Environmental Representations and Warranties.** The City represents and warrants that:
  - 1. The Property is not listed or, to the City's knowledge, proposed for listing on the National Priorities List of the U.S. Environmental Protection Agency.
  - 2. The City did not generate hazardous substances, pollutants or contaminants at or to the Property.
  - 3. The City is not a potentially responsible party under Section 107 of CERCLA, 42 U.S.C. Section 9607.
  - 4. The City acquired the Property after the disposal or placement of hazardous substances, pollutants and contaminants on the Property and has not caused, contributed to, permitted or exacerbated the release of such substances, pollutants or contaminants on or from the Property. The City is not otherwise a responsible person as defined in Illinois Statutes.
  - 5. The Property is not subject to a unilateral administrative order, court order, and administrative order on consent or judicial consent decree issued to or entered by parties under CERCLA.
  - 6. The Property is not subject to the jurisdiction, custody or control of the United States government.

7. The Property satisfies the definition of a Brownfield site as defined in Section 101(39) of CERCLA, 42 U.S.C. 9601(39).
  8. The City certifies that it, the SMSC, the Contractor and the Consultant are not now, and have not in the past, been subject to any penalties resulting from environmental non-compliance at the Property.
- B. **No Violation.** The execution and performance by SMSC of this Agreement does not violate any provision of federal, state or local law, or result in a breach of or constitute a default under any agreement, indenture or other instrument to which the SMSC is a party or by which the SMSC may be bound.
- C. **Authorization.** The City Council of the City of Rockford and the Board of Directors of the SMSC have authorized the execution and delivery of this Agreement.
- D. **Litigation.** There are no pending or, to SMSC's knowledge, threatened actions or proceedings before any court or administrative agency that may adversely affect the financial condition or operation of SMSC.
- E. **Not Excluded from Public Transactions.** SMSC is not presently or proposed to be debarred or suspended, declared ineligible, or voluntarily excluded from federal, state, or local (hereinafter "public") transactions.
- F. **No Termination for Cause or Default.** SMSC has not within the preceding three years had a public transaction terminated for cause or default.
- G. **No Civil Judgments.** Neither SMSC nor its respective officers or contractor(s) retained to conduct the Project have, within a three year period preceding this Agreement, have been convicted or had a civil judgment rendered against them for (i) fraud or commission of a criminal offence in connection with obtaining, attempting to obtain or performing a public transaction or contract under a public transaction, (ii) violation of federal or state antitrust laws, or (iii) embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property.
- H. **No Criminal or Civil Indictments:** Neither SMSC, nor its respective officers or contractor(s) retained to conduct the Project, are presently indicted for or otherwise criminally or civilly charged by a public entity with commission of any of the offences enumerated under the section above.
- I. **Acknowledgement.** SMSC acknowledges that a Cooperative Agreement with the USEPA is the source of the Loan and that the City is under no obligation to lend any of its own funds.

J. **Survival of Representations:** All representations and warranties shall survive the execution of this Agreement.

**IX. MISCELLANEOUS**

A. **Successors.** This Agreement shall be binding upon the permitted assigns or successors of SMSC and the City. This Agreement shall not be assigned or transferred by SMSC without the written consent of the City and any purported assignment or transfer without such prior written consent shall be void.

B. **Notices.** Any notice, consent, waiver, request or other communication required or permitted to be given under this Agreement shall be in writing and shall be given as follows:
