***STREET DIVISION MAINTENANCE UPDATE***

***STREET SWEEPING***

**Rockford, IL-** The Street Division will begin Spring Street Sweeping on arterial streets the week of March 16, 2020. This phase of the City's street sweeping operation will take approximately two (2) to three (3) weeks, weather permitting.

Central Business District street sweeping will begin Thursday, April 2, 2019 during the overnight hours. This will be swept every other week throughout the summer.

Spring residential street sweeping will commence subsequent to completion of the arterial streets. Although an exact date cannot be determined at this time, the transition to residential streets may be as early as the week of April 6, 2020.

Each Thursday throughout the sweeping season, weekly updates will be provided to highlight the areas of the city in which street sweepers will be working. Maps will also be included to provide a visual of areas completed, not completed and those in progress.

All Street Division Operations are dependent on existing weather conditions and are subject to change accordingly. Citizens are urged to approach Public Works Crews with caution and at a reduced speed that is below posted speed limits.

The City of Rockford appreciates your continued patience and cooperation as we perform our Street Maintenance Activities.

For questions regarding this project, please contact Harry Noble, Assistant Street Superintendent, at (779) 348-7619.
