ENGINEERING DIVISION MAINTENANCE UPDATE

STRATHMOOR DRIVE EXTENSION

(FROM MULFORD ROAD TO ROXBURY ROAD)

Rockford, IL- The Strathmoor Drive Extension is continuing as scheduled. Strathmoor Drive is open from Roxbury Rd to the entrance of OSF Hospital and from Mulford Road west to Strathmoor Ct.

The new Strathmoor Extension is closed for street light installation which is taking place currently and permanent street sign installation. Strathmoor Extension is anticipated to open within two weeks.

New asphalt pavement along with storm sewer, curb and gutter sidewalk, have been constructed.

Drivers are encouraged to use the south Roxbury entrance to access OSF Saint Anthony Medical Center. Drivers are reminded to drive slow and use caution when driving through work zones.

For questions regarding this project, please contact Ryan Lundberg, Project Manager, at (779) 348-7644.

9th STREET RECONSTRUCTION –
6TH AVE TO NORTH OF CHARLES STREET

Rockford, IL - The reconstruction of 9th Street is 98% complete. The lane closures at 9th Street and Charles Street should be taken down by the end of the work day on Friday, November 20th. All Lanes on 9th Street are open to full traffic.

The project limits for 9th Street will be from 6th Avenue to East State Street. Improvements include the installation of larger diameter storm sewer to help alleviate drainage capacity issues, water main replacement, sidewalk replacement, and new concrete curb and gutter. The reconstruction will include the narrowing of the roadway to accommodate more accessible pedestrian facilities as well as on-street bicycle accommodations. Motorists are advised to use caution when traveling near the work zone. Total completion for the project is scheduled for October 30th.

For questions regarding this project, please contact Rick Rundblade, Senior Project Manager, at (779)348-7642.
