**ROCKFORD, IL** - Our Great City has been experiencing an extremely high gun violence for some time now. We are experiencing the effects of a pandemic going on two years now. We must come together to discuss a resolution for the gun violence.

13th Ward Alderman Linda McNeely urges local citizens to attend a Community Town Hall Meeting at the City Hall on November 3, to share their suggestions to solve this problem: "We need to work together to help stop the spread of guns and violent crime in our community."

Are people willing to invoke a curfew for ages 18 and younger, and have police issue tickets to the violators and parents? "They would appear before a community court," she says, "This is an example. Let's meet to come up with some solutions."

To participate in-person, please attend our Community Town Hall Meeting at 5:30 pm on November 3, 2021. The meeting will be held in the City Council Chamber at the Rockford City Hall, 425 East State Street. A Zoom meeting connection may be offered for those who wish to participate online. [To participate by web, go to the city web site \(rockfordil.gov\), the web link will be there.](http://rockfordil.gov)
